NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The half-year consolidated financial statements are general purpose financial statements prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standard AASB 134: Interim Financial Reporting, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

It is recommended that these financial statements be read in conjunction with the annual financial statements for the year ended 31 December 2014 and any public announcements made by Strategic Minerals Corporation NL and its controlled entities during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The accounting policies have been consistently applied by the entities in the consolidated group and are consistent with those in the December 2014 financial report. These half-year statements do not include full disclosures of the type normally included in the annual financial statements.

(a) Employee benefits

(i) *Short-term obligations*

Liabilities for wages and salaries, including non-monetary benefits, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. All other short-term employee benefit obligations are presented as payables.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

New, revised or amending Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new, revised or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period from 1 January 2015.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of Accounting Standards and Interpretations applicable from 1 January 2015 did not have any significant impact on the financial performance or position of the consolidated entity.

2. COMMITMENTS

The Group has annual minimum obligations in relation to maintaining its granted tenements in good standing. There have been no changes in commitments since the last annual reporting date.

3. SEGMENT REPORTING

The accounting policies used by the Group in reporting segments are in accordance with the measurement principles of Australian Accounting Standards.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors. The Board of Directors has identified the operating segments based on the main minerals of the members of the Group.

The two main mineral types of the Group are Uranium and Gold. The Uranium projects are held within the subsidiary Alpha Uranium Pty Ltd and the Gold projects are held in Strategic Minerals Corporation NL.

Segment assets include the cost to acquire the tenement and the capitalised exploration costs of those tenements.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Strategic Minerals Corporation NL

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Strategic Minerals Corporation NL, which comprises the consolidated statement of financial position as at 30 June 2015, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Strategic Minerals Corporation NL, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Strategic Minerals Corporation NL, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Strategic Minerals Corporation NL is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*
